## Description

This Fairline Targa 33 is one of the best examples we have ever seen of this iconic British Sports Boat. Built in 1989 but re-engined in 1995 this boat has been in the same ownership for nearly 30 years.

The navigation equipment is original but working. This boat has enjoyed many upgrades cosmetically over the years and is presented in excellent condition throughout and the engines have covered a remarkable 270 hours from new! Some people do this in a couple of seasons!

The boat comes with a tonneau cover as well as main camper covers and the windows in the front of the main covers were replaced in August 2022.

This boat needs to be seen to be appreciated as it is rare to find a two cabin boat with good private accommodation for a family at an affordable price point.

A Walkthrough Tour is now available on the Parker Adams Youtube channel!
